

Micon Engineers Hubli Pvt Ltd.

Director : Mr. Zakeerahmed M Naikwadi

Established : 1990

Products: Manufacturer and exporter of Industrial valves i.e. Forged valves, Gate valves, Glove valves, Check valves, Butterfly valves, all kind of Industrial valves used in industries like Oil & Gas, Petro chemical, fertilizers, food processing, Paper pulp, Pharmaceutical and Chemical industries.

History: In the year 1990 Mr. Muqhtarahmed and Sons laid the foundation of an industrial success. (a) 1990 Perfect Engineering Works (b) In 1995 Tec Flow Valves (India) Pvt. Ltd. - for manufacturing of needle valves (c) 2003 establishment of Micon Engineers (Hubli) Pvt. Ltd. for manufacturing of Aquaria series valves (d) 2006 – ISO 9001 : 2008 Certification through bureau of VERITAS – UKAS (e) 2009–10 ISO 9001-2008 6) 2012–13 API Monogram License.

Market: All over India - North India & South India, Maharashtra, Kolkata, Delhi and Noida. Abroad - Middle East and Kingdom of Saudi Arabia.

Brand Values: Valves for perfection in performance. Value for Money. No Compromise with Quality.

Recent Developments: (a) Construction of 40,000 sq ft new industrial plant for manufacturing of high range industrial valves in Rayapur, Dharwad. (b) EIL enhancement approval of our product size and up gradation. (c) Getting of API Monogram License.

Promotion: Through advertisement in leading industrial magazines. Participating in industrial exhibitions. Through telemarketing. Personal Visits to customers etc.

Expansion Plans: State of the art 40,000 sqft new plant at Rayapur for manufacturing of high range industrial valves 2 acres land has been allotted by KIADB at Gamangatti Industrial area.

Facilities for staff: Television for rest time. Arranging cricket matches and other sports, Excursions, Get togethers and Family holidays for the staff.

Mantras to become successful entrepreneur:

Purpose: To create a highly professional and ethical organization that values its people.

Product: Adding “aas” to everything a product like software, Content, Infrastructure.

Performance: About execution and creating everything that is required to successfully sell a product.

Cast Steel Gate Valve

Cast Steel Globe Valves

Cast Steel Swing Check Valves

Corporate Social Responsibility: Our CSR - Protect environment. Grow more trees. Rain harvesting. Use maximum solar equipments. Reduce usage of chemicals. Generate more employment. Provide health care for needy and poor.

Forged Gate, Globe & Lift Check Valves

<p>Pneumatic actuated valves</p>	<p>DN 350 BFV with ROTEX actuator</p>	<p>Extended stem Butterfly Valves</p>
<p>DN 350 BFV with DASHPOT arrangement</p>	<p>DN 1200 offset disc BFV with AUMA electrical actuation</p>	<p>Butterfly Valves assembly & testing facility</p>
