History: Incepted in the year 1994, A. K. Dutta & Associates is one of the well established names in the industry engaged in the sphere of offering architectural and structural engineering designing consultancy services in compliance with the demands of our clients. In order to achieve an economical speedy and quality construction it is essential to come up with optimum concept design and implement it accurately in the project while construction.

Achievements: 'Scientist of the year 2002' – awarded at India Science Congress Kolkatta; Netaji Subhash Chandra Bose National Award; Ultratech Excellence Award-2011; Albert Schewtzer Medal for Science and Peace; AFJA Literacy Award. The director has published more than 33 articles in national and international magazines including Times Journal for Construction and Design, Journal of American Society of Civil Engineers, etc.

Market: We are the consultant for Government, Corporate and Private sectors which includes University of Calcutta; Regulatory Marketing Board, Govt. of West Bengal; Park Hotel; Apeejay Infralogistic; B.E.M.L. (Govt. of India); NDITA (Govt. of W.B.); Aditi Oil; Aditi Logistics; Phosphate Company Limited; WB State Marketing Board (Govt. of W.B.); etc.

Recent Developments: We have successfully undertaken work at University of Calcutta Technology Campus, Salt Lake. It is having huge non technology research facility and the building is spread over an 18m span (plain RCC) with vibration free structure. We have also done projects for Cumin in Calcutta of 20m span.

Promotion: For promotion we mainly depend on Internet, for this we have engaged INDIAMART. A few times we have used the print media. We do believe that a good work is the best promotion.

Expansion Plans: We have also undertaken several projects in some other countries such as in the African subcontinent. We would like to open our branches over there through mutual agreement. We plan to open branches in more than six states of India.

Facilities for Staff: The staff is allowed to go travelling for fifteen days a year. They also conduct short picnic and other activities for entertainment. Annually we conduct the Vishwakarma puja as well – this helps in making strong bonds between the management and our staff members and their families.

Mantras to become successful entrepreneur: Being systematic is the main mantra of an entrepreneur. It has the ability to provide success and helps in running an organization smoothly.

Corporate Social Responsibility: We are associated with several social welfare organizations for CSR.
