

Director & CEO:
Mr. Suryakant M. Kadakane
Established : 2005

Products: Leasing and Hiring of Shooting Floors and Allied facilities. Leasing and Hiring of Broadcast Equipments Post Production facilities, LED Display Walls Production of Live Events and TV & Film Contents.

History: Suraj Multi Vision , with Mr. Suryankant Kadakane at the helm of its affairs, is a leading Broadcast Equipments provider to various Satellite Channels and production Houses in Mumbai.

After having successfully associated with the Media and Entertainment industry for the last 9 year , through Suraj Multi Vision, the aim of talking the business to the next level was but the most logical step going forward. The present disintegrated service facilities for pre, ongoing and post

production activities creates a logistical nightmare for most individuals and corporate houses in the media and entertainment industry. Anish Studios Private Limited, was formed under the able guidance of Mr. Suryankant Kadakane with exact purpose of addressing the need of the industry for a one stop solutions company.

Achievements :

- ◆ Establishment a studio for Zee Network's play TV (The India's First Interactive Channel) In 2005 and provided services to run the channel.
- ◆ Played an active part in establishing a News Channel at Jharkhand namely "News 11"
- ◆ Produced TV Game show Namely "Houzee" for Zee TV.
- ◆ Member of Akhil Bhartiya Marathi Chitrapat Mahamandal as producer under the banner of "PAT Films."
- ◆ Member of Indian Motion Pictures and Producers Association (IMPPA).
- ◆ Awarded by "Life Time Achievement Award" in year 2009 by "Aavishakar Social Foundation", Kolhapur by the hands of Honorable Shri. Narendra Jadhav, Economist and Member of Planning Commission, Government of India.

Market: Anish Studios is located at upcoming and convenient western suburb Kandivali. Owing to easy connectivity to New Link Road, access to local amenities and Proximity to residence of media professionals, Anish

Studios with its end to end media solution under one roof is an ideal proposition for leading television channels, productions houses, film makers, event management companies, ad agencies and many more.

Anish Studios is easy to get to, easy to work with Armed with world class infrastructure and supporting facilities plus on immensely experienced and passionate group of people, we aspire to make creative content building an experience of a lifetime.

The studios are built to international standards and have the capability to offer a seamless experience to its users. Anish Studios has a range of film and TV studios from 5400 sq ft to 15,500 sq ft. with a working height of 40 ft and excellent grid loading and power.

Recent Developments: The modern and state of the art studio will be rated amongst the top 3 one stop solutions company in the media and entertainment industry upon its completion. State of the art infrastructure.

Facility and equipments will bring a user experience that is unmatched and prove to be the USP of the success story of the studio. Anish Studios, a creative warehouse for all the pre and post production activities and offers a multitude of services for film making and television shows in India.

Promotion: With all infrastructures for all Television and Film related production activities, Company would be the Only player catering to all the requirement of Bollywood and Media industry at one place in Mumbai. Company has location advantage at Charkop, Kandivali (West) compared to studio outside Mumbai as it is easily accessible for most of the actors, technician, crew, studios. Post-production houses who are mainly located between Bandra (west) and Borivali (west) only comparable players with studio floor with similar size and infrastructure would be Reliance Media works located in Film city, Goregaon (East) and Yash Raj Studios in Andheri (West). Reliance Media works has location disadvantage and Yash Raj studio is used mainly for captive purpose with big shooting floors, multiple and intelligent lighting arrangements. Star studded camera. Company would be able to cater non-fiction shows. Non-fiction shows generally rent studio on long term basis and this would ensure stable revenue source for the Company.

The real time experience and availability of all Television and Film related production related facilities will attract student who wants to learn about various disciplines of television production activates.

Expansion Plans: Company has concrete plans to acquire adjoining plot of land admeasuring 41, 500 sq ft and additional TDR to create approximately 2,50,000 sq ft infrastructure for Media and Entertainment Industry.

Company has limited time frame to acquire this land as Company plans to set up another 2 full fledged television / Film studios to take the total to 5 studios with all Television and Film related production activities in Mumbai.

The project was planned in two phases, phase I comprise of 3 studios and other services Related to studio and in phase-II, 2 studios, Broadcast Equipments, Media training Institutes, Post production set up were planned. To acquire the land, company intends to create a joint venture to raise equity. Phase-II of the project will be complete and can be operational from June 2016 and it will be Known as 'MUMBAI MEDIACITY'.

Brand Value : Vision: To be the new media headquarter by offering all inclusive media services under one roof.

Mission: To offer gamut of world Class and fully integrated facilities to media fraternity at a single point. Ensuring convenient, optimum and fulfilling creative experience to everybody involved.
