Name of the Proprietor : Mr. Pradip Chatterjee

Established : 1980

Product : Hindustan Electroplastic Corporation is one of the leading houses of electrical field for switchgear & control panel accessories in eastern zone of India. In addition to the product marketing, Mr. Pradip Chatterjee has keen interest in the manufacturing units that he has under his jurisdiction.

Achievements : The achievements of Hindustan Electroplastic Corporation are many in all sorts of conducive as well as adverse environments. Mr. Pradip Chatterjee has been awarded in all big conferences & meets of the Multi National & Multi Dimensional Companies that he works with namely L&T, Legrand, Kaycee, Jainson, Connectwell, Rishabh, Essen, etc. The client list includes the biggest Industries, Power plants, Railways etc. in India including the countries like Nepal, Bhutan and Bangladesh.

History : Mr. Pradip Chatterjee originally started his career by imparting tuition classes while in STD IX. His mother was the guiding principle in his life which he follows for his every success till now. Hindusthan Electroplastic Corporation's "ELECO" control panel accessories manufacturing unit has grown many times in the last three decades. Today as a leader of the Industrial electrical switchgear Market in the eastern zone of India, he not only boasts of doing work for some of the biggest names in the electrical industry but also carries on his unabated service towards humanity & society

Recent Developments : Recently Hindustan Electroplastic Corporation acquired new stores & enlarged the client base to take the turnover of the company to new & greater heights.

Expansion Plans : Mr. Pradip Chatterjee is now mentoring his daughter to join in his business & would be expanding the business in new horizon of other states & countries.

Mantra to become successful : Mr. Pradip Chatterjee started at an early age & could fight his way up in all spheres of business in such a short span of time. His mantra quality and service to customers with a smile “come what may” has helped him to nurture a customer base & won him accolades for the companies he works for.

Brand Value : Trust, ethics, customer support and keenness to provide solutions to various needs of the customers, able to face challenges and overcome always successfully.

Corporate Social Responsibility : From the core of his heart Mr. Pradip Chatterjee has always worked for the humanity & social cause. His kindness for humanity eagerness to help any social cause, ownership of his social duties, responsibility towards the downtrodden of the society at large, helps him to reach hundreds of his well wishers in the society that he belongs. For the people who has nothing left in this world, he stands beside them in their hour of need as a solid rock. These people see a reason in their fight for survival when they look up to the caring eyes of Chatterjee-da that he is known fondly in Kolkata.
