Director : Mr. Rajiv Bohra

Established : Established in 2009 under the leadership of Mr. G. P. Bohra, Chairman

Products: S.S. Bars / S. S. Wires / S. S. Wires Rod / S. S. Welded Pipes & Tubes.

History: In 1980, Mr. G. P. Bohra started trading of stainless steel products. Today we have our own manufacturing facility with export to more than 40 countries. Our aim is to become a one stop solution of S.S. Long products.

Achievements: We have been getting the Engineering Export Promotion Council (E.E.P.C.) award, for excellence in exports, regularly for 5 years starting from 2005-2006 till date.

Market: HIL's products are sold to more than 40 countries. We have sales officers and representatives in more than 14 countries around the world.

Brand Value: Our products are sold by our brand name which has been created through years of rigorous hard work and dedication.

Recent Developments: We have installed new lines for welded pipes and also moved into stainless steel seamless pipes and tubes.

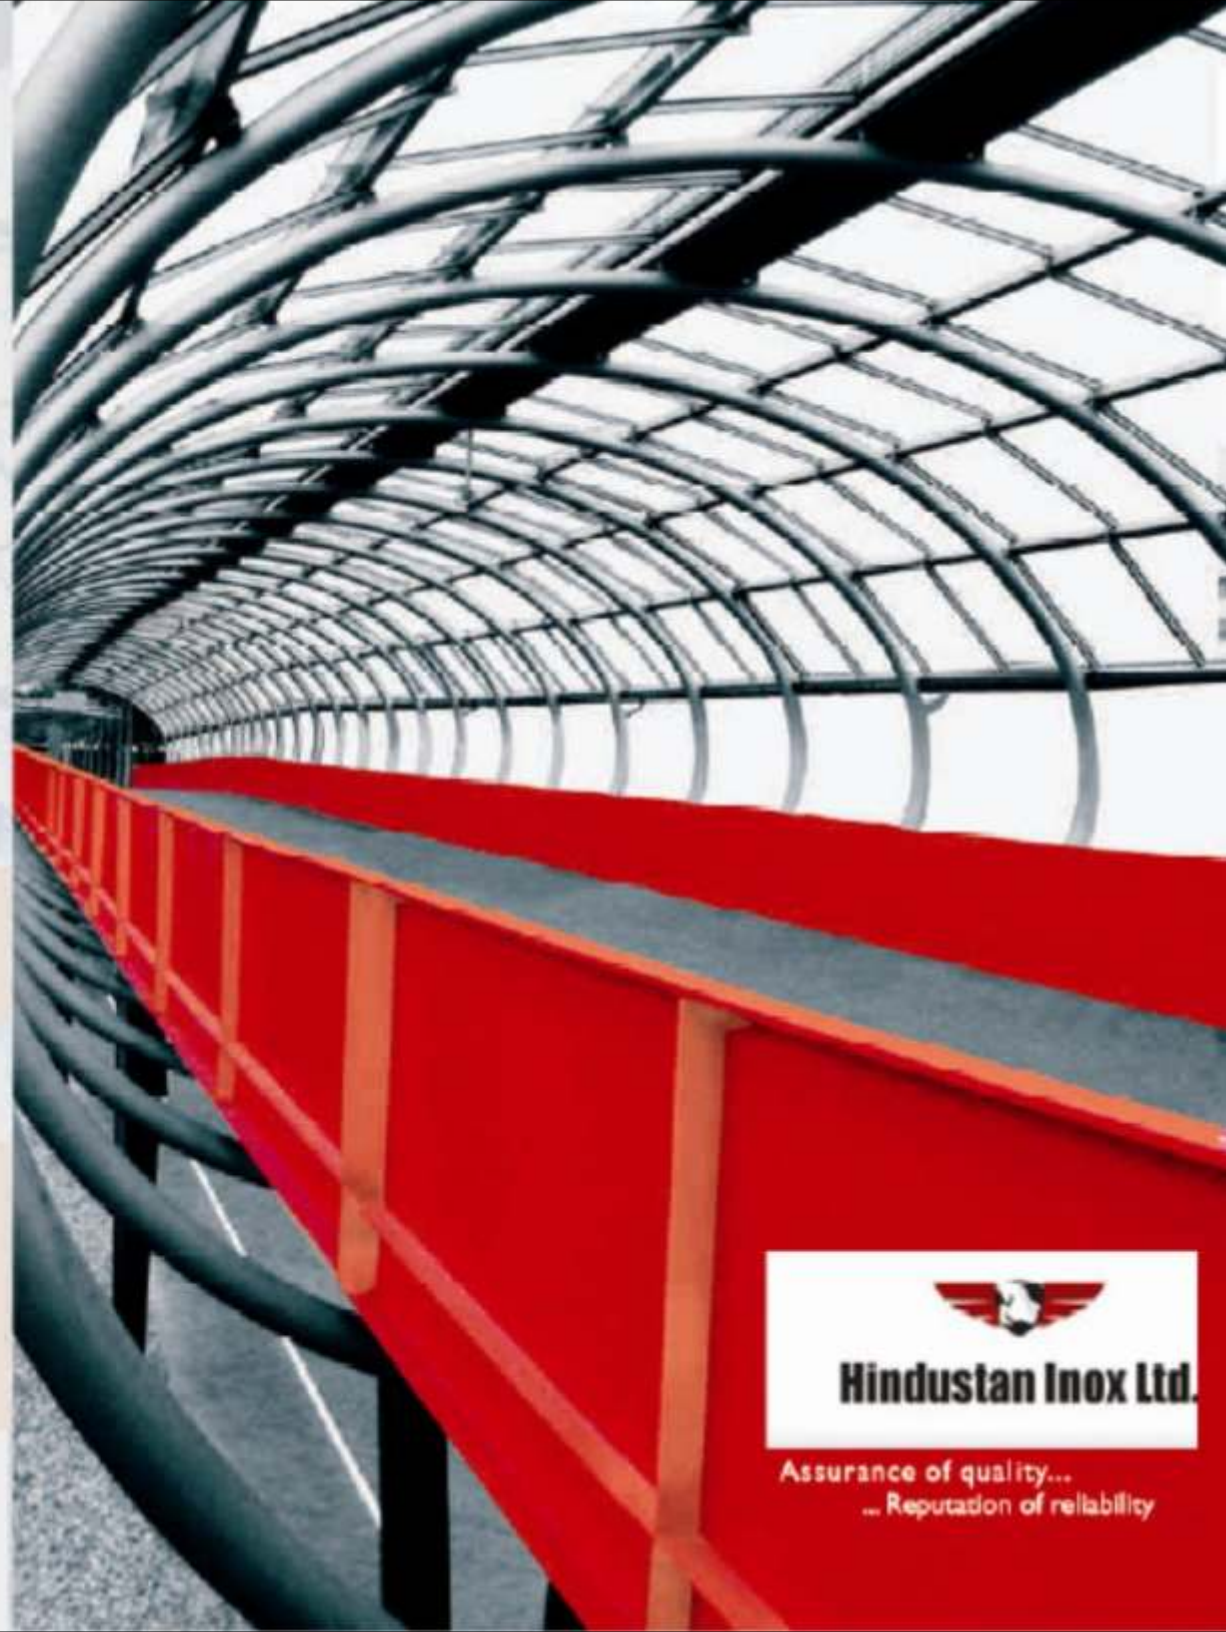

Promotion: We participate in various national and international exhibitions and also brand promote our products in various important magazines and newspapers.

Expansion Plans: We plan to invest in solar energy and in new products like stainless steel seamless pipes and tubes. We also plan in increasing the size range of all our products and making our company more viable to our customers.

Facilities for Staff: We have an in-house facility for accommodation and food for all our members. Seminars are conducted for employees from time to time.

Mantras: Quality, services and commitment towards work, research and development.

Corporate Social Responsibility: Hindustan Inox Limited is linked to many social organizations and is constantly encouraging many social activities like building temples and accommodation at many places of pilgrimage.
