- Imports of surgical and hospital equipments from China.
- Flex printing banner is been imported from China which is used for hoardings and banners in advertising industry.

**History:** Proprietor C. Bhaootmal Bhandari foresaw the growth potential in Bangalore and started this venture from a small scale industry. From 2008, B. Champalal Bhandari has been the partner of the organization. Today the

Company is involved in a broad spectrum of activities spanning from manufacturing, exporting and importing of vast need based items for domestic and foreign consumption.

### Achievements:

- Honoured by Congress committee in the Congress Exhibition held in Mysore in 1961.
- Bhamasa award was given by Rajasthan Government in 1997 for contributions of two schools in Sayala, Rajasthan.
- Received "Samaj Ratan" award from Shri Mallikarjun Kharge, Honorable Home Minister of Government of Karnataka in the year 2002.
- Felicitated by Mr. Rahul Gandhi in the year 2008 to honor all the social activists in Bangalore including B. Champalal Bhandari, being the KMYF President.
- Inauguration of Free mobile dental clinic by Honorable former Chief Minister of Karnataka B. S. Yeddyurppa in the year 2009.

**Market:** Our stainless steel is ideally suited for fixtures at Software Parks, Coffee Shops, Decorative Sanitary Fitting, Railway Stations, Automotive Showrooms, Lifts, Airports, Bus Shelters, Cinema Halls, etc.

**Brand Value:** We have been sincerely serving our customers for over 60 years. We also have expanded our operations to cater to increased demand. We have been felicitated for our contributions towards the stainless steel industry.

### Recent Developments:

- This company expanded and has set up a firm in Chennai "Madras Steel Agencies" catering to requirements of stainless steel in Tamil Nadu.
- Joint collaboration with "Met Pax Corporation" in Ahmedabad.
- Joint collaboration with "Marudar Surgical", involved in importing medical and surgical equipments located in Bangalore.
- Started petrol stations of "Bharat Petroleum Corporation Limited" in Bangalore.

### Promotion:

- Participated in world's first stainless steel fair held in Ahmedabad in 2010.
- Participated in fair held by all India Lifts Association in Mumbai in 2010.

**Expansion Plans:** We are operating from Bangalore and have already expanded our operations in Chennai and Ahmedabad. Further we are looking forward to a joint collaboration with "SSISCO METAL PVT LTD" located in Bangalore. With this venture we plan to import machinery from China, for state

of the art service centers for precession. This will helps us to supply new standard of efficiency, quality, reliability and speed of delivery in stainless steel strips, sheets and coils.

**Facilities for Staff:** We motivate our staff by providing them transport facility, food and place to stay for free. In house kitchen facilities and staff welfare schemes are made available to all the staff.

**Mantras to become successful entrepreneur:** The journey of progress of Paxal Corporation is driven by the force of these complementary traits - Will, Vision & Zeal. The path of progress is much akin to laying staircase. After a flight of few steps there is a landing, and then another flight of steps and again a landing, likewise for composite and sustained growth there has to be consolidation at regular intervals, such consolidation periods allow rejuvenation of the will, wider horizon of vision and invigorated zeal.

### Corporate Social Responsibility:

- Opened two secondary schools for Boys and Girls in village Sayala Rajasthan in 1962 & 1966.
- Served as President (2007-2009) at Karnataka Marwari Youth Federation mainly involved in providing free Artificial limbs, free Dialysis at various hospitals and nursing home in Bangalore. Free Mobile Dental Clinic made available for ashrams, orphanage homes and backward class people.

### Our Salient Features:

- No strikes from our staff till date.
- We provide half yearly increment in salary to our staff
- We have a couple of our staff working with us for over 50 years now.
