Mrs. Charumati Ravindra Patil

## Year of Establishment: 1983

Product: Sugar Plant & Machineries, Cement Plant Machineries, Pressure Vessels, EOT Cranes, Boiler Equipments, Electricity Co-Generation Projects Works i.e. H. P. Steam Piping, Cooling System, Fuel, Ash Handling System, Material - Handling Equipments & System.

**History:** Proprietor Mr. Ravindra J. Patil is basically Mech. Engineer. Having served Kirloskar and Sugar Projects, from 1976 to 1983, he started a small project in Ahmednagar MIDC. Today we are supplying, installing and erecting plants at the client's site. The organisation is also exporting worldwide.

**Achievements:** We have commissioned a number of E.O.T. cranes of capacities up to 100 MT. In this field, due to the criticality of the job there are few players. We execute the job with superior manufacturing quality and performance.

**Marketing:** With a rich experience in both engineering and management, we are one of the leading manufacturers and service providers in the country, making use of latest engineering applications in the most advanced manner. We are based in Maharashtra and supply, as per demands, anywhere in the world.

**Recent Developments:** We have registered our company for manufacturing of High Pressure Boiler pressure parts. We have started executing orders of same.

**Expansion plans:** Within two years we aim to cross 100.00 crores from the present turnover of 50.00 crores

**Recreation facilities:** Yes, we do provide recreation facilities to our employees and staff members.

**Mantras of Success:** You should work sincerely and positively then you will get success automatically.

**Corporate Social Responsibility:** Our plants

are equipped with both air pollution and water pollution control equipment. Further, all the effluents and emissions are maintained as per the prescribed limit. In the society, we are regularly helping different institutions who work for the visually and physically handicapped.

**Salient features:** Our performance is one of the best in our field. We have reached a stage where we are respected immensely for our business ethics, quality and punctuality.
